- First name and surname
- E-mail address;
- Location data;
- Data about your activities on our website;
- Data about your surfing behaviour across different websites
- IP address;- Internet browser and device type;
- Other personal data that you actively provide, for example by sending a message via our contact form;

B. Special and/or sensitive personal data we process

Predict Marine does not process any special and/or sensitive personal data about you on its website.

C. Why we need data

Predict Marine processes your personal data for the following purposes:

- To enable the proper use of the website for you;
- Predict Marine analyses your behaviour on the website in order to improve our website and tailor our range of products and services to your preferences;
- Predict Marine tracks your browsing behaviour across different websites so that we can tailor our products and services to your needs.

D. Automated decision-making

Based on automated processing, Predict Marine does not make any decisions about matters that could (significantly) affect individuals. These are decisions made by computer programmes or systems, without a human being (e.g. an employee of Predict Marine) being involved.

E. How long we keep data

Predict Marine will not retain your personal data for longer than strictly necessary to fulfil the purposes for which your data is collected. Under the laws and regulations applicable to Predict Marine, we reserve the right to apply a retention period of up to 7 years for all (categories of) personal data.

F. Sharing with others

Predict Marine shares your website personal data with third parties as necessary for the proper use of the website, for marketing purposes and to comply with any legal obligation. We enter into a processor agreement with companies that process your data on our behalf to ensure the same level of security and confidentiality of your data. Predict Marine remains responsible for this processing.

G. Cookies, or similar techniques, that we use

Predict Marine uses functional, analytical and tracking cookies. A cookie is a small text file that is stored in the browser of your computer, tablet or smartphone the first time you visit this website.

Predict Marine, on the one hand, uses cookies with a purely technical functionality. These ensure that the website works properly, can remember your preferences, for example, and help us make the website work properly. They also allow us to optimise our website.

We also place cookies that track your browsing behaviour so that we can offer tailored content and advertisements. On your first visit to our website, we have already informed you about these cookies and asked your permission to place them. You can opt out of cookies by setting your internet browser to stop storing cookies. In addition, you can also delete any information previously stored via your browser's settings. For an explanation, see: <https://veiliginternetten.nl/themes/situatie/cookies-wat-zijn-het-en-wat-doe-ik-ermee>

Cookies are also set on this website by third parties. These include advertisers and/or the social media companies. Predict Marine may also use Google Analytics from Google Inc. Google Analytics uses cookies to help www.predictmarine.nl analyse how users use the site. The information generated by the cookies about your use of the website (including your IP number) is transmitted to and stored by Google on servers in the United States. Google uses this information to track how you use the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may provide this information to third parties if Google is legally required to do so, or insofar as these third parties process the information on Google's behalf. By using this webpage, you consent to the processing of the information by Google in the manner and for the purposes described above.

Below is an overview:

- Cookie: Google and Google Analytics Na(a)m(s): APISID, CONSENT, HSID, NID, SID, SIDCC, _ga, 1P_Jar
